

MOST CHILD ABUSE HAPPENS AT HOME

THE REALITY

- Abuse is most often committed by a parent or caregiver
- It typically happens inside the home
- It's often hidden behind what looks like a "normal" family

IN OUR COMMUNITY

Lubbock County (2025):

- 690 confirmed child abuse victims
- Majority harmed by someone they know
- Many cases occur within the home

WHAT'S REALLY BEHIND IT

This isn't just about "bad people." Abuse is often linked to:

- High stress
- Isolation
- Lack of support
- Lack of parenting tools
