FGO provides free outreach programs to each local elementary, middle, and high school, as well as surrounding area schools. These programs deal with topics like anger, bullying, self-esteem, goal setting, and more.

Free Parenting Classes

FGO offers parenting, wellness, life skills and anger management classes, free of charge. Our flagship program focuses on the prevention of Shaken Baby Syndrome.

Community Outreach

All of the services provided by FGO are free to the community. We receive our funding through grants, fundraising and generous donations from our community.
