DESIGNED FOR SCHOOLS

Connected Classrooms can be used in a variety of school settings, including:

Small Groups • Classrooms • Lunch Groups • After-School Programs

Schools can use all five lessons as a series or select individual lessons based on the needs of their students. The curriculum is designed for facilitation by approved school personnel and uses games, movement, hypothetical scenarios, cooperative challenges, and hands-on activities to keep students actively involved.

Family Guidance & Outreach provides Connected Classrooms curriculum access at no cost to approved schools. Curriculum materials may be printed for use with students at the approved campus but may not be publicly posted, redistributed, sold, or shared with unauthorized users.
